Eggs

Eggs can be purchased through our website (FortressFarmsIowa.com). They are also available on the farm, at the Kossuth County farmers' market, and through our new weekly subscription delivery to Algona, Iowa.

Body Care Goods

We offer our soaps, balms, and other personal care products on-farm, at markets and shows, and online through our website at FortressFarmsIowa.com. This makes it easy to order these products for pick-up or delivery to your door.

Additional Notes

We appreciate your understanding that some of our products' prices have increased a bit this year. This is due to inflation of our input costs as well as our switch to non-GMO and organic feed to yield even better products.

To focus on exceptional quality over mass quantity, we plan our season far in advance and limit animal batch sizes. Therefore, we kindly ask you to return your form as soon as possible—our items are first come, first served.

Come See Us!

If you would like to walk around our farm and see how we raise our animals, we would be happy to accommodate you—transparency is important to us! Please contact us using the information at the bottom of this page.
